

Cleveland Composers Connection

The Greater Cleveland Flute Society invites Cleveland area composers to participate in the 7th annual concert featuring local composers. This concert is an opportunity for area composers to showcase their flute compositions to an interested audience of flutists and fans of new music. Composers are invited to submit compositions for consideration using the following guidelines:

- Composers must have a Cleveland Connection: current or previous residence in the Cleveland/N.E. Ohio area including college attendance
- Compositions must include flute as the primary voice: flute solo, flute and piano, flute ensemble, or flute and other instruments. Flute ensembles are encouraged, flute duets, trios, quartets, flute choir, with or without piano. Piccolo, alto flute, and bass flute may be included.
- If the piece requires instrumentation other than flute or piano, the composer will be responsible for supplying the additional musicians for the performance.
- Compositions must be no longer than 10 minutes in length.
- Composers may submit up to 3 compositions.
- Flutists will be selected from the membership of GCFS and the GCFS Executive Board.
- Compositions will be selected to provide a well-balanced program.
- GCFS may perform all or select movements of the composition.
- Compositions may be previously performed.
- Composers must send a copy of the score and an audio CD of the piece being considered for programming to:
